

## PRODUCTS EVALUATION FORM AND POLICY

In order to encourage new/inactive customers or established customers to try out our products, Oberon, Inc. is very pleased to provide loan/evaluation units to potential prospects or established customers who are interested in our products.

The following conditions must be agreed to in writing prior to making shipment of any loan/evaluation product:

1. This evaluation form and credit application form should be submitted for approval prior to evaluation product shipment.
2. Evaluation units are secured at full price by credit terms, or credit card, and are invoiced if not returned within the 30 days of the receiving date. If the unit is secured with a credit card and not returned within 30 days, the credit card will be charged on the 31st day. The evaluation units would be shipped by UPS GROUND. There is no cost at all to the customer if the customer chooses to return the loan/evaluation product to Oberon, Inc. Full credit is issued upon the evaluation products return under RMA procedures within 30 days. If customer wishes to keep the evaluation unit, the invoice total is due 30 days from invoice date.
3. Faster than UPS GROUND delivery is available at customer's expense. The customers should prepay freight charge by credit card, or provide their shipping account # and shipping requirements.
4. If loan/evaluation product is returned in other than "as new" condition, or in packaging other than that originally provided by Oberon, Inc., damages will be assessed and the cost of repair or refurbishment will be deducted from the credit issued.
5. The return freight charges shall be paid by customer. Customer must provide their shipping account number if they have one, or prepay freight charges by credit card.
